\$4 Million Needed to Complete 'Strategy'

\$1 MILLION SOUGHT IN ALUMNI SUPPORT

Lenoir-Rhyne College alumni have been asked to play an important role in the largest single program of advance ever undertaken by the college. A goal of \$1 million, or approximately one-fourth of the remaining needs of the Strategy for the Seventies program, was recently approved by the Alumni Board of Directors.

The Strategy for the Seventies is the plan of academic program and physical plant development which incorporates an adjusted fund-raising goal of \$12 million for the years 1970-79. Approximately \$8 million has been secured through the first seven years of this period, and the total cost of meeting remaining needs is estimated at \$4,170,000.

Estimate of Costs to Fulfill the Remaining Strategy for the Seventies Objectives

Loyalty Fund 1977-1979	<u>\$495,000</u>
	\$ 495,000
Total need to be sought through the proposed Greater Catawba Valley and Alumni Campaign	
	<u>\$ 4,170,000</u>

The Strategy for the Seventies program has been successful through its first seven years. The fulfillment of the remaining needs of the long-range development program is the immediate challenge in the concluding three years of the decade. When these needs are met, the college will have completed one of the most significant programs in its long history.

A Board of Trustees — authorized study is presently underway to determine whether there is a base of leadership support to develop a major campaign and to determine the goal level for the campaign program. The Board has secured the services of Ward, Dreshman and Reinhardt, Inc., of Columbus, Ohio, to conduct the "feasibility plus" study and develop a campaign by the end of July.

The proposed campaign is visualized as being an intensive and extensive effort among all support constituencies within the six contiguous counties of the Greater Catawba Valley, as well as all alumni throughout the U.S.

The Loyalty Fund which alumni conduct each year in support of current operations of the college will be incorporated in the proposed campaign and projected over a three-year period of pledge support. Nearly half a million dollars will be sought for this vital area of alumni support.

Alumni will also be challenged to raise an additional half million dollars to help meet other needs. These needs are illustrated in the following inventory of needs.

INVENTORY OF NEEDS (Thumbnail Description)

Completion of Shuford Physical Education Center...	\$ 800,000
Addition to Shuford Memorial Gymnasium will include classrooms, office space, men's and women's locker facilities, handball courts, a physical education gymnasium and an olympic swimming pool.	
Learning Resources Center	800,000
A two-story addition to the library to unify and centralize campus services, facilities, learning resources, equipment and material to provide a more efficient and fruitful learning experience. The facility will include TV/radio studio, audio and control room, 2 graphics laboratories, 3 photographic darkrooms, 1 equipment pool, repair shop, offices, rest-rooms, service rooms and space for the academic computer, curriculum lab, language lab, and printing services.	
Professorship - Business Administration	500,000
Endowment established to enable the college to employ a faculty member with an earned doctorate. Competition for persons holding doctorates in the business field is keen. To meet comparable salaries as commanded in industry makes it mandatory that a means of meeting this challenge is provided.	
Loyalty Fund for Operations 1977-1979	495,000
Loyalty Fund needs over the next three years are incorporated into the capital program to benefit from the intensive effort to be developed in the campaign.	
Campus Development	325,000
Includes construction of a greenhouse and elevator to complete decade needs of the Biology Department; additional lighting, and parking facilities, and an energy study and conversion.	
Faculty Development	250,000
Establish an endowment to increase the number of annual awards to faculty through the sabbatical leave program for enrichment and self-renewal.	
Student Merit Scholarships	250,000
Establish an endowment to increase financial aid grants to students based on merit rather than need in order to inspire academic enthusiasm and excellence in the student body.	
Hearing Impaired Program	250,000
Establish an endowment to employ additional staff persons with expertise in the area of the multi-handicapped; provide scholarship aid to students in special education; help establish on-campus library resources for students; provide travel funds for faculty and students to sites of hearing-impaired specialization; and purchase of equipment for use on campus that is particular to the needs of the hearing impaired program.	
Business Administration Program	250,000
Establish an endowment to assist in broadening and strengthening the Business Administration program to include visiting lecturers, computer sciences, and expanded internship program with local manufacturing and merchandising concerns.	
P. E. Center Maintenance	250,000
Establish an endowment to assist with the additional operating and maintenance costs inherent in the construction of the Shuford Physical Education Center addition to the Shuford Memorial Gymnasium.	

Donors who pledge to the Greater Catawba Valley and Alumni Campaign over a three-year period will not be contacted for a pledge to Loyalty Fund again in this decade.

It is hoped that every alumni contributor to past Loyalty Fund efforts will plan their gifts at an unprecedented level to help assure the achievement of the \$1 million alumni goal and in turn the realization of the \$4,170,000 total college need.

The approach to be developed among alumni is to secure leadership enlistments in every community of the U.S. with a concentration of five or more alumni.

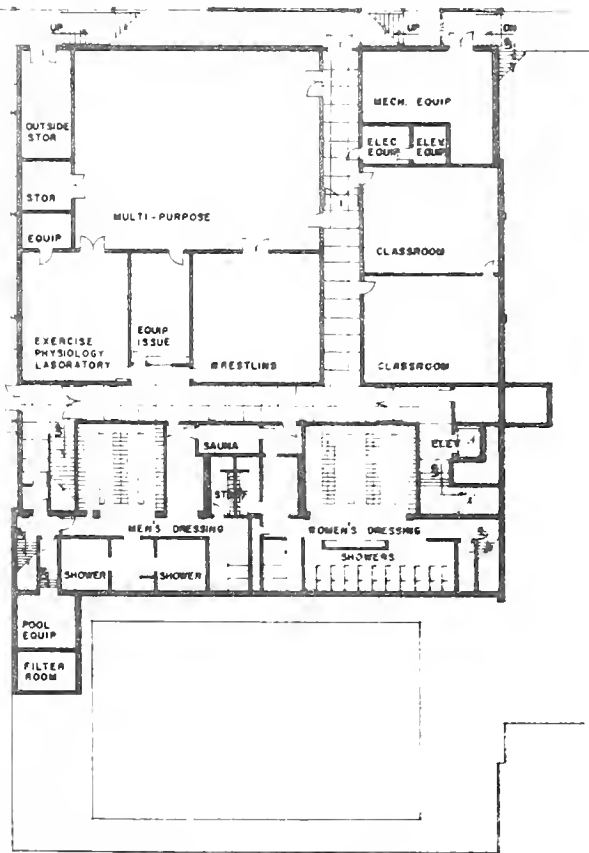

North Carolina with the largest concentration of alumni is being organized into three separate areas which will ultimately reach into 127 communities and provide opportunity for more than 10,000 alumni to be reached in the campaign program.

Twenty-two additional states will also be organized which will bring another 2,500 alumni into the campaign projection.

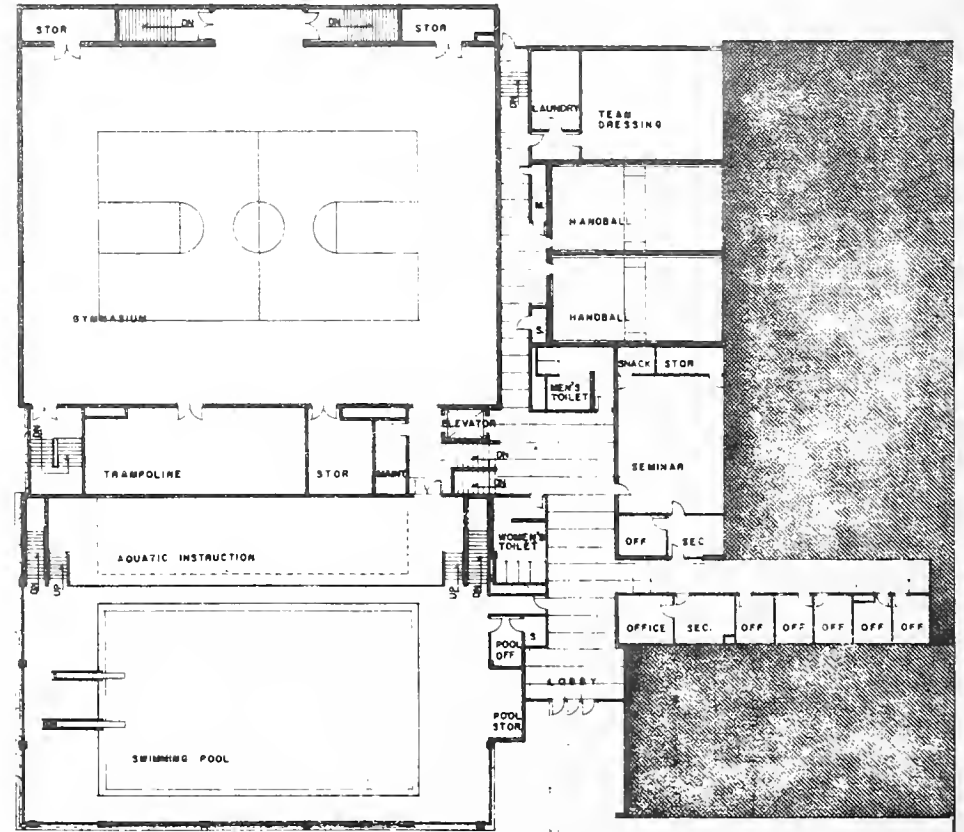

It is estimated that more than 2,000 alumni will participate as leaders in the campaign.

The success of the alumni phase of this major campaign will depend upon the willingness of all alumni throughout the country to serve in these important leadership roles in the developing campaign structure.

Contacts are being initiated among alumni and as you are contacted, your active involvement and participation will be vital to the success of the college's efforts.

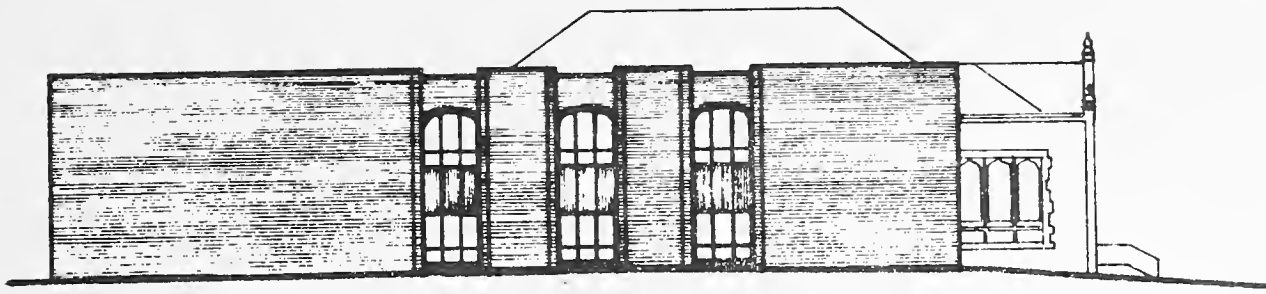

GROUND FLOOR PLAN

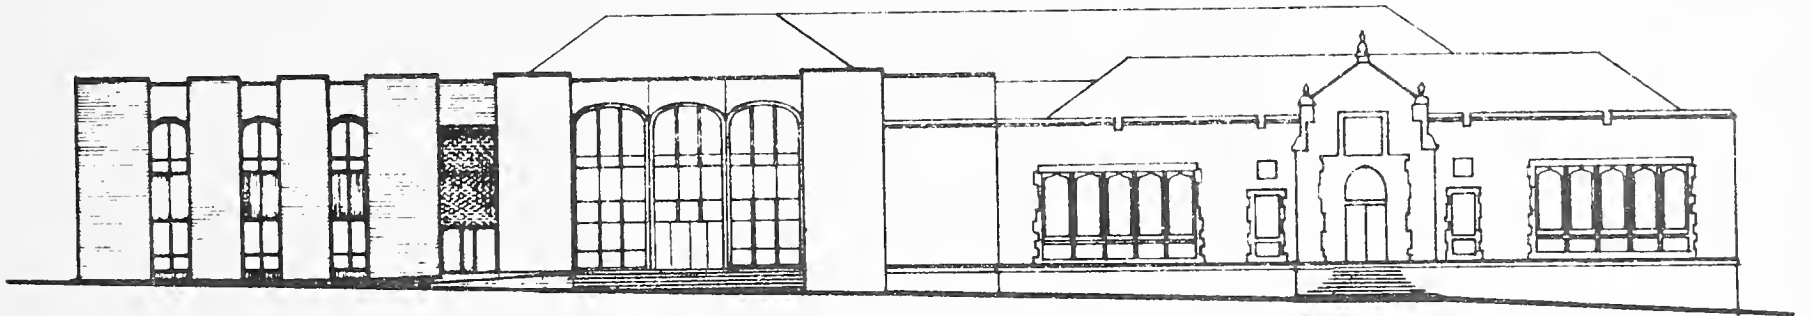

FIRST FLOOR PLAN

Pictured are floor plans for the proposed physical education addition to Shuford Memorial Gymnasium. An artist's conception of the exterior of the building is featured on the front cover of this magazine. The physical education addition is projected as a high-priority need in fulfilling the Strategy for the Seventies program.

SEEKING YOUR SUPPORT

Mrs. Elsie B. Deaton '35, left, and Mr. Charles D. Dixon, both of Hickory, will be seeking your support as plans progress for the proposed Greater Catawba Valley and Alumni Campaign. Mrs. Deaton is chairman of the alumni phase, while Dixon has been named general chairman of the overall drive.

Development Up-Date

A FIRST IN OUR HISTORY

Total gifts to Lenoir-Rhyne College in 1976 from all sources amounted to \$1,071,894 — up \$92,685 from 1975. This is the first time in our history that gift support has exceeded the million dollar mark in any given calendar year.

A summary of the sources of this support begins on page nine.

STRATEGY FOR THE SEVENTIES

Total funds received in cash or pledges in the Strategy for the Seventies program now stands at \$8,112,840 — up from \$5,200,000 one year ago. The revised goal of the Strategy program is \$12,000,000 for current operations, buildings and endowment by December 31, 1979. The Strategy for the Seventies is a comprehensive, decade-long plan aimed at strengthening the academic and instructional program of the college, renovating and updating the physical plant, providing new buildings and facilities, and adding substantially to the endowment.

SYNOD CAMPAIGN EXCEEDS BASIC AND ADVANCE GOALS

The Lenoir-Rhyne College Forward Together Campaign among the 207 congregations of the North Carolina Synod of the Lutheran Church in America now stands at \$1,600,000 in pledges and commitments. This amount exceeds the basic goal of \$1,200,000 and the advance goal of

\$1,500,000. The challenge goal is \$2,000,000. The intensive phase of the campaign ended March 31, but additional field work and follow-up will continue through the 33-month pledge payout period, April 1, 1977 - December 31, 1979.

Forward Together funds will provide a new classroom building, the renovation of the Rhyne classroom building and additional endowment.

Dr. Walter T. Nau

DR. WALTER T. NAU

Dr. Walter T. Nau, a professor emeritus of Lenoir-Rhyne, has been engaged as Campaign Progress Director for the Forward Together Campaign.

A long-time Hickory resident, Dr. Nau was an active member of the Lenoir-Rhyne faculty from 1945-1974. He taught French and German and chaired the department. Before joining the college faculty, he was an instructor at Duke University.

Dr. Nau holds a bachelor of arts degree from Guilford College, as well

as master of arts and doctor of philosophy degrees from Duke. Also a graduate of Concordia Seminary, he has been a Lutheran clergyman for many years. He has served parishes in Virginia, Illinois and North Carolina, the last being St. Mark's Lutheran Church in China Grove.

Dr. Nau has distinguished himself in many different fields. He has served as chairman of the Hickory City School Board and a district governor of Rotary International. He is currently president of the Western Piedmont Symphony Society and chairman of the State Continuing Education Committee for Mental Health Services.

We are pleased to have Dr. Nau join our development staff for the vital work of the campaign's follow-up phase.

DEVELOPMENT BOARD MARKS TENTH ANNIVERSARY

The Spring Development Board meeting, set for Saturday, April 30, on the campus, will mark the tenth anniversary of the founding of the Board in 1967. The principal business of the meeting will be the consideration of the restructuring plan whereby the Board would be organized into four permanent committees — Human Resources, Constituency Services, Development Program and Student Concerns.

Chairing the 35-member Board is Dr. George P. Hager of Chapel Hill; vice-chairman is Harley F. Shuford Sr. of Hickory.

THE PROPOSED GREATER CATAWBA VALLEY & ALUMNI CAMPAIGN

Lenoir-Rhyne College is now in the midst of the feasibility phase of a proposed Catawba Valley and Alumni capital funds campaign. The fund-

raising firm of Ward, Dreshman & Reinhardt of Worthington, Ohio and New York City was engaged by the Campaign Steering Committee of the Strategy for the Seventies and the Executive Committee of the Board of Trustees to do the study. The director of the feasibility phase is Mr. William S. Ralston of Staunton, Virginia, who began his work at Lenoir-Rhyne on March 7.

The feasibility phase incorporates an added dimension called "Feasibility Plus" which includes the enlistment of top community leaders and solicitation of pledges for the campaign from selected major donor prospects to establish our fund raising potential. It is hoped by the end of the "Feasibility Plus" period, toward the end of April, that leadership and gift commitments will be such that a campaign can be projected at a goal level which will assure that the balance needed for the full cost of the proposed Shuford Physical Education Center at an estimated total cost of \$2,200,000 can be underwritten.

Also, at the conclusion of the "Feasibility Plus" period, the Campaign Executive Committee will, with representatives of Ward, Dreshman & Reinhardt, determine whether there is support for a full-fledged Greater Catawba Valley and Alumni Campaign and, if so, what the objectives and the overall goal should be.

The proposed campaign, which would also incorporate the Alumni Association and all living alumni into their first capital funds campaign in this decade, will be the final campaign in the Strategy for the Seventies program; it is designed to complete the objectives set at the beginning of the Strategy for the Seventies program in 1969.

NEW ENDOWMENT FUNDS

Dr. F. L. Conrad '16, through a gift in the Forward Together campaign, has established the Flavius Leslie and Mary Huffman Conrad Scholarship Fund. The fund will be endowed ultimately by a will bequest which has already been arranged. An alumnus of Lenoir-Rhyne, as was his wife, the late Mary Huffman Conrad '16, Dr. Conrad is an honorary chairperson of the Forward Together Campaign for which he has made numerous visits over the past six

April 1977

months across the synod. Dr. Conrad, now residing at Kure Beach, was president of the N.C. Synod, 1949-1962.

Mr. & Mrs. C. C. Graham, long-time members of St. Mark's Church, China Grove, have established the Cecil C. and Beulah Linn Graham Scholarship Endowment Fund through the Forward Together campaign with an initial gift of \$10,000. The fund will be supplemented by additional gifts from the Grahams and ultimately through a will bequest which has already been arranged. The annual income from the fund will be awarded to pre-theology students at Lenoir-Rhyne planning to enter the Christian ministry.

Miss Suzanne Farrell, a 1972 Lenoir-Rhyne College graduate now employed by the Maryland Institute of Emergency Medicine, has established an endowment fund to be used for strengthening the college nursing department.

The fund has been set up in honor of Dr. Frances M. Farthing, chairman of the Lenoir-Rhyne nursing department, and in memory of Miss Louise Clark, former Director of Nursing at Grace Hospital in Morganton. Miss Farrell had both Dr. Farthing and Miss Clark as nursing instructors at Lenoir-Rhyne.

Miss Farrell is a native of Durham, where her parents, Mr. & Mrs. L. S. Farrell, still reside.

The Lenoir-Rhyne College Department of Nursing Endowment Fund may be added to by interested persons at any time. It may be named as the beneficiary in wills or used appropriately as a memorial fund.

Dr. Voldemars T. Bernards, Lenoir-Rhyne professor of Latin, Russian, Greek and German languages (1959-1973), has arranged for a significant bequest in his will for the General Endowment Fund. Now retired and living adjacent to the campus, Dr. Bernards is a native of Latvia. He earned a doctorate in General and Comparative Linguistics from Columbia University and became a naturalized citizen of the U. S. in 1958. Following an amazing career in teaching and Bible translation, he was cited in 1973 as "An Important and Valuable Human Resource of the U.S.A." by the American Bicentennial Research Institute.

DR. J. WHITE IDDINGS

Dr. J. White Iddings '27, who will be retiring May 1 as Institutional Chaplain for the N. C. Synod of the Lutheran Church in America, will be joining the development staff of Lenoir-Rhyne College on June 1. To be employed on a two-thirds basis, Dr. Iddings will devote most of his attention to a deferred giving program within the synod. He will also be available for Forward Together Campaign follow-up work, particularly with congregations whose campaigns are scheduled after June 1.

Dr. Iddings, whose chaplaincy office is at Duke University Medical Center, resides in Durham where he and his wife — the former Pauline Kuhn of Hickory — will continue to live.

Dr. Iddings was born in Rowan County, and was educated at Lenoir-Rhyne and Southern Seminary, receiving an honorary doctorate from Lenoir-Rhyne in 1958.

His last pastorate was First Lutheran, Albemarle, 1965-1977. He was Secretary of the Lenoir-Rhyne Board of Trustees, 1955-1965.

Dr. Iddings is one of the ablest and most respected ministers in the N. C. Synod. We welcome him to his new role with Lenoir-Rhyne.

Dr. J. White Iddings

ALUMNI VIEWS

“Personal Reflections”

by Lois D. Snyder, President
Lenoir-Rhyne College Alumni Association

Lois Snyder '53

To say that this has been a busy year would be a gross understatement! But you should know that any time I have spent during the year working in behalf of Lenoir-Rhyne College has been pure pleasure. It is very difficult for me to adequately express my deep gratitude for having had the honor of serving as the first woman president of the Alumni Association. I have been in touch with people at the College and alumni from through-out the nation on a rather regular basis. I am beginning to think of the campus as my second home — I'm there so often. I feel such a part of the family and fellowship of life on campus that I truly am going to miss being so closely involved. Thank you for having the faith in me and for electing me as your president.

Before I bring you up-to-date on my activities on your behalf, I would be remiss if I did not express my very special thank to Clarence Pugh, Evelyn Carswell and the rest of the Alumni Office staff for the way they have supported me and the Association committees this year. They have gently reminded me of things I have forgotten to do and we truly appreciate the way they have been available during extremely busy times. Thank you, Alumni Office, for your great support!

DR. ALBERT B. ANDERSON—LENOIR-RHYNE'S EIGHTH PRESIDENT—It was truly a thrill for me to have had the pleasure of representing the alumni on the search committee that selected Dr. Anderson as our eighth president. I think we did a good job and we're confident that the entire Anderson family is winning its way into the hearts of the alumni and the entire college constituency. Let's continue to give our president all the support he needs to lead our alma mater!

LOYALTY FUND '76 & '77 — We congratulate John Yoder for providing the leadership that enabled the Loyalty Fund to reach the second highest dollar total in the history of Lenoir-Rhyne! (The details covering this campaign are within the pages of this issue of PROFILE, so we won't elaborate here.) Thanks, John to you

and your leadership teams!

Mrs. Elsie Deaton has chaired several meetings in preparation for her campaign and with the exciting opportunity that is before us, as alumni, to assist the College in fulfilling the needs for the remainder of the decade, we look forward to her leadership! Elsie always does a good job in everything she undertakes!

CENTURY CLUB DINNER-DANCE — Valerie and Charles Deal of Hickory served as co-chairman of the seventh annual held at Lake Hickory County Club on April 1. There were 173 paid reservations and the dance was a tremendous success! Vee is so organized that, as usual, everything went off without a hitch.

SENIOR-ALUMNI BANQUET — Mrs. Helgi Shuford and Mrs. Anne Guthrie have things lined up for this May 10 event which will also be held at Lake Hickory Country Club. We're all looking forward to the evening and we appreciate the work of these gals and the seniors in making this a very nice and memorable occasion.

THE GRADUATE magazine, a publication designed to assist seniors upon leaving college, has been distributed again this year by the Association. The book is full of great ideas for 'starting over' again — this time in the world of 'making a living'!

ALUMNI CHAPTER — This has been one of the better years for chapter meetings and expansion — thanks to Mrs. Nancy Skinner! In response to my request for chapters to be formed in the greater Hickory area, (we've never had them before), she, Clarence and I met with alumni from some six area counties and, from the latest reports, it looks as if we will have chapters formed in some of these areas by the end of May. Great!

In addition, it was great that Florida chapters met in late March for the first time in some five or six years! We are grateful to Director of Development, Dr. R. Paul Kercher, for his combining these meetings with his business trip to the annual CASE Conference held in Orlando. From the

reports, these were among the best meetings these areas have ever had! If your area hasn't had a meeting recently, contact your local chapter president or get in touch with the alumni office and express your interest and/or concern.

TOURS — I wasn't able to make the trip to Russia in November, however, my son, Steve and his grandparents, had a marvelous time! They were among some fifty (50) alumni and friends who were part of some 180 'charterees' on that particular trip! Everything went well and we're happy that Lenoir-Rhyne alumni can take advantage of low-cost travel programs. Mark your calendar — July 29-August 13 — tentative plans are for a trip to Munich-Vienna-Budapest. By the time you read this, you may have already received the details! Strong interest in these programs will insure a continuation of opportunities!

ALUMNI DIRECTORY — I am very happy that this very special project, while started last year, under Jay Harbinson's administration, was completed in such fine fashion. I've actually heard of alumni staying up all night to catch up on their classmates' whereabouts! It certainly makes for great reading and if you didn't reserve a copy, it may not be too late. Contact the alumni office!

ALUMNI APPRECIATION DAY — Mrs. Anne Guthrie and Mrs. Jean Lineberger are co-chairing this committee and are fast at work to make May 21 a memorable day for all of us! In addition to a 'full' day of special opportunities for fellowship, they have even promised to try to make the program at the banquet "short and sweet". It looks like a great day — watch your mail for the details!

Again, thank you for all your faith in this woman, for your support and confidence in any program I have tried to start. It's been a busy and great year. I will always remember my presidency with pride and with humility.

Let's hope that I will see all of you on Saturday, May 21 — I'll thank you personally!!!

Advance Gifts (1976), FORWARD TOGETHER N. C. SYNOD CAMPAIGN

\$ 26,572.96

A number of cash gifts and pledges were made in 1976 to Lenoir-Rhyne's **Forward Together** campaign in the North Carolina Synod of the Lutheran Church in America. We are deeply grateful for this strong support. In that the campaign is still in progress in some congregations and, for the most part, pledges were made through the local churches, we are refraining from acknowledging individual donors in this manner at this time lest we inadvertently omit some.

"The Spirit of L. R. in '76"

Loyalty Fund is sponsored annually by the Lenoir-Rhyne College Alumni Association to promote 'unrestricted' financial support.

The 1976 campaign had as its theme "The Spirit of L-R in '76" and raised the second highest amount for Loyalty Fund in the history of the program. As part of that campaign, donors were encouraged to increase their level of support as an expression of appreciation for Lenoir-Rhyne in the bicentennial year. As part of that recognition, two additional 'giving levels' were introduced — 'Founders': \$500 - 999; 'Bicentennial': \$200 - 499. Participants at these levels are listed within those respective sections.

In addition to new giving levels, special emphasis was placed on a campaign within the business, industrial and professional community, to seek unrestricted gifts of \$1,000 or more. These donors appear in the section designated 'President's Club'.

For this special bicentennial campaign, the traditional 'Grand Patron' giving level was re-named 'Grand Patriot'.

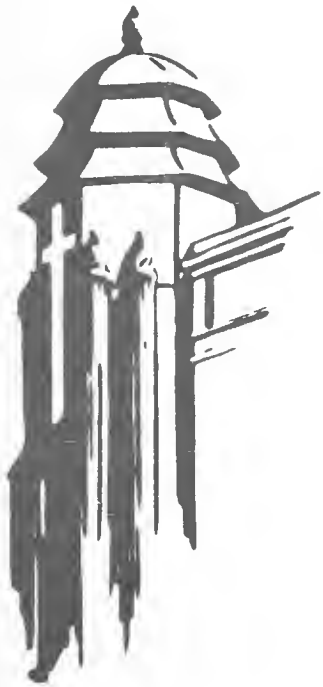

The Loyalty Fund committee expresses its gratitude to all donors — from all constituent groups — for continued support — support that will help to make Lenoir-Rhyne's educational programs stronger than ever!

On behalf of the entire College family — faculty, administration and student body, we say 'Thanks'!

* New Record

** Participation based on 12,500 prospects. Prior to 1974, base was 10,000.

Since the 'Strategy for the Seventies' campaign began, the Loyalty Fund programs have produced almost three-quarters of a million dollars in current operations' support. These gifts are averaging over \$124,000 annually. To secure similar funds from endowment sources, the College would need an additional \$2.5 million of investments.

L-R TRUSTEES APPROVE \$5.5 MILLION BUDGET

A \$5.5 million budget for Lenoir-Rhyne College during 1977-78 was approved by the Board of Trustees as it held its spring meeting on the college campus.

The Lenoir-Rhyne trustees also received a report on bidding for a proposed physical education addition to Shuford Memorial Gymnasium and heard several promising reports on financial support of the institution as part of their day-long agenda.

Acting on a recommendation of the Committee on Finance and Investment, the Lenoir-Rhyne board approved a 1977-78 budget of \$5,559,520. The approved financial plan represents an increase of approximately \$100,000 over the current budget.

LOW BIDDER

Herman-Sipe Company of Conover was announced as the low bidder for the physical education addition, but the board did not award a contract at its meeting. Final action on the proposal will be taken by mid-May.

The Conover firm submitted a bid of \$1,765,469 with subcontractors to be Ingold Company, Inc., of Hickory, mechanical; Kenworthy Electrical Company, Inc., of Hickory, electrical; and Todd Pool builders of Charlotte, swimming pool.

Encouraging reports were offered to the Lenoir-Rhyne trustees on both voluntary support of the institution during 1976 and the current capital funds campaign in the North Carolina Synod of the Lutheran Church in American.

TOPPED \$1 MILLION

Trustee O. Leonard Moretz '32 of Hickory, chairman of the committee on Promotion and Development, reported to the Board that Lenoir-Rhyne topped the \$1 million mark in voluntary support for the first time in its history during 1976.

Moretz announced a total of \$1,071,894 in voluntary giving—up more than \$90,000 over the 1975 total. Leading the way to the historic first were restricted gifts to current funds, donations to endowment and building funds, gifts from bequests and the Alumni Association's 1976 Loyalty Fund.

Lutheran Laymen's Movement counselor Clinton P. Schroeder made his final report on the N. C. Synod campaign. Schroeder has completed his work of conducting the initial phase of the drive, and Dr. Walter T. Nau of Hickory was introduced to the Board as the Campaign Progress Director for the concluding 33 months.

The "Forward Together" campaign, Schroeder told the Board, has exceeded its basic and advance goals while reaching a March 29 total of \$1,518,131 in commitments. Additional funds are expected during the pledge payout period.

Money raised in the synod drive will be used for a new classroom building, renovation and endowment at Lenoir-Rhyne.

OTHER BUSINESS

In other business the Lenoir-Rhyne trustees heard reports from president Albert B. Anderson and a Student Government Association task force; approved proposals for lighting and electrical improvements on campus; and scheduled a July seminar.

Included in Dr. Anderson's report was an announcement that an agreement would soon be reached for Charlotte Memorial Hospital to become a part of Lenoir-Rhyne's cooperative program in medical technology. The college currently has similar agreements with Presbyterian Hospital in Charlotte, as well as Bowman Gray School of Medicine and Forsyth Memorial Hospital, both in Winston-Salem.

The lighting and electrical proposals authorized the Lenoir-Rhyne administration to prepare plans for additional lighting around campus and to complete needed electrical additions to Highland Hall.

Scheduled for July 11 and 12, the Board seminar will include a study of institutional mission and organization. It was announced by trustee James R. Stephenson of Hickory.

CIRCUIT COURT UPHOLDS L-R IN DISCRIMINATION APPEAL

A Federal District Court ruling which cleared Lenoir-Rhyne College of discrimination charges in January, 1976, has been upheld by a 2-1 decision in the U.S. Court of Appeals

for the Fourth Circuit, it was announced recently by college officials.

The appeal of District Judge Woodrow W. Jones' 1976 decision was filed by Dr. Annie Laurie Keyes of Hickory, a former Lenoir-Rhyne professor. She was represented in the Richmond, Va., appeals court by J. Levonne Chambers of Chambers, Stein, Ferguson and Becton in Charlotte.

In the district ruling Judge Jones found in favor of Lenoir-Rhyne on charges that it had breached Dr. Keyes' contract and had discriminated against her and all females on the faculty in terms of salary, benefits and other conditions of employment.

As in the original suit, the appeal was filed against the college, its chairman of the Board of Trustees, Dr. Wallace J. Jorgenson of Charlotte, and its former president, Dr. Raymond M Bost of Philadelphia, Pa. They were represented in Richmond by W. Gene Sigmon of Jesse C. Sigmon, Jr., Sigmon and Sigmon in Newton.

In the appeals court opinion, Chief Judge Haynsworth and Senior Circuit Judge Field discussed the basic findings of the district court and closed with these words, "Discerning no error of fact or law, we affirm the judgment of the district court."

Circuit Judge Craven filed a dissenting opinion.

Unglaube

L-R DEAN ACCEPTS POSITION WITH NATIONAL LUTHERAN BODY

Dr. James M. Unglaube, a faculty member and top administrator at Lenoir-Rhyne College since 1967, has resigned as dean of the college to

accept the position of assistant director of the Department for Higher Education of the Lutheran Church in American.

Dr. Unglaube left Lenoir-Rhyne in early April to begin his new work.

"Dr. Unglaube's decision to join the Department for Higher Education represents a great loss to Lenoir-Rhyne and a great gain for the LCA," noted college president Dr. Albert B. Anderson.

"We wish him and his family God's blessings," the Lenoir-Rhyne chief executive concluded.

Dr. Anderson said that plans were underway to effect an appropriate transition and eventually select a successor to Dr. Unglaube.

WISCONSIN NATIVE

A native of Milwaukee, Wis., Dr. Unglaube came to Lenoir-Rhyne in 1967 as an instructor in chemistry. The following year he was promoted to assistant professor, and in 1972 he became an associate professor in the same department, a rank which he held when he left.

Dr. Unglaube assumed administrative duties in 1970, a year which saw major changes in Lenoir-Rhyne's calendar and curriculum. The young chemistry professor became academic dean at that time and supervised the beginnings of Lenoir-Rhyne's 4-1-4 calendar and interdisciplinary core curriculum.

The 4-1-4 features a special one-month term, the Interim, sandwiched between two shortened semesters. It provides students with special opportunities for travel, independent study and unusual campus courses.

The core curriculum is designed to provide a broad foundation for a student's liberal arts education. It includes courses in communications, natural science, mathematics, social and behavioral sciences, the humanities and physical education.

NEW POSITION

In 1974 Lenoir-Rhyne's Board of Trustees named Dr. Unglaube dean of the college, a new position which encompassed not only the supervision of the college's academic program, but its student life as well.

Throughout his tenure as academic dean and dean of the college Dr. Unglaube was a leader in strengthening Lenoir-Rhyne's academic program, both in terms of faculty and program.

The Lenoir-Rhyne dean saw the percentage of faculty members who hold earned doctorates almost double in his

April 1977

years at the college, and he developed several programs for the continuing development of faculty members as teachers and scholars.

Dr. Unglaube also witnessed a significant increase in the holdings of Lenoir-Rhyne's library. Volumes have now topped the 100,000 mark.

Lenoir-Rhyne also added four new majors in the last decade, including a general studies program which allows outstanding students to tailor majors to their special needs and desires.

Dr. Unglaube joined the Lenoir-Rhyne faculty after completing a bachelor's degree at Carthage College in Kenosha, Wis., and a master's and doctorate at the University of Iowa.

POST-GRADUATE WORK

After coming to Hickory, the dean did post-graduate work at Harvard University, completing its Institute for Educational Management in 1972.

"In ten years here in Hickory," Dr. Unglaube announced, "I have had the opportunity to become closely tied to Lenoir-Rhyne and the Catawba Valley area. Both have meant a great deal to my life."

"Hickory was the first real home for LaRue and me," continued the dean, "and our children were both born here. Leaving it means that many dear relationships will be missed, but the challenges and excitement of a new position and surroundings are also inviting."

"The Unglaube family," concluded the dean, "will always treasure its memories of a fine college, wonderful people and a great town."

LENOIR-RHYNE STUDENT WINS NATIONAL ORGAN COMPETITION

Robert A. Smith '79, a sophomore music major at Lenoir-Rhyne College, won the 7th National Organ Playing Competition held recently in Fort Lauderdale, Fla.

The Hudson student was selected from among three finalists after a 20-minute recital at the First Presbyterian Church in Fort Lauderdale. He won a first-place award of \$700.

Smith played "Prelude and Fugue in E Flat Major" by Bach and "Song of Joy" by Langlais before a large crowd and a panel of judges headed by noted musician Dr. George Folkel. The other finalists, both graduate students, also played for 20 minutes each.

The Lenoir-Rhyne musician was chosen for the national finals from among 29 entries. Each submitted a tape to the judges.

Lenoir-Rhyne officials were excited about Smith's national victory. "It is quite a credit to Robert and our music program at Lenoir-Rhyne," said music faculty member Larry H. Lowder.

UNIVERSITY PRESS PUBLISHES L-R PROFESSOR'S DISSERTATION

The Downfall of a King, a doctoral dissertation by Lenoir-Rhyne College faculty member Dr. Russell E. Benton, was published in January by the University Press of America in Washington, D.C.

Dr. Benton's 244-page work is about the 1910 Portuguese revolution and the overthrow of the monarchy which had existed there for eight centuries. It is based on research in the National Archives and National Library in Lisbon and the Public Record Office and British Library in London.

An assistant professor of history at Lenoir-Rhyne, Dr. Benton completed a doctor of philosophy degree at Louisiana State University in 1975. He holds a master's from Stetson University and a bachelor's degree from Erskine College.

Dr. Benton is in his 11th year on the Lenoir-Rhyne faculty. He has also taught at the University of South Carolina and Gardner-Webb College.

L-R HONORS 1ST INDUCTEES TO SPORTS HALL OF FAME

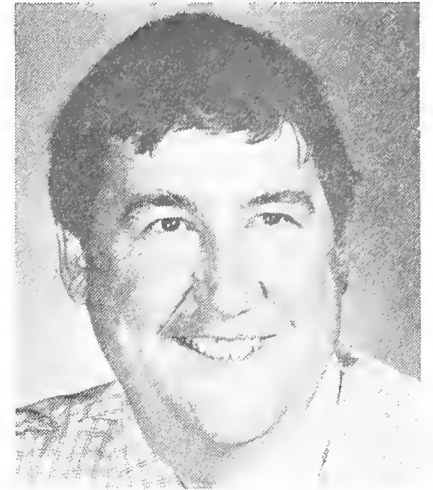

Hawn '26

Spurlock '27

Stasavich '35

Wells '57

Four storied names from Lenoir-Rhyne College's athletic history — H. C. "Joby" Hawn '26, Albert Spurlock '27, the late Clarence Stasavich '35, and Raeford Wells '57 — were honored April 15 as the first inductees to the college's newly-formed Sports Hall of Fame.

The men were recognized at the annual meeting of the Piedmont Educational Foundation, an organization which provides support for Lenoir-Rhyne's athletic program.

The dinner guests were treated to an address by University of Tennessee head football coach Johnny Majors in addition to viewing the Hall of Fame awards ceremony.

Majors recently joined the Tennessee staff after being named the National Collegiate Athletic Association's 1976 Coach of the Year as head of the football program at the University of Pittsburgh.

Chairman Dr. Voist R. Cromer '26, lauded the work of the Hall of Fame Committee which has worked for a number of months to establish a program to honor "individuals who have made significant contributions to Lenoir-Rhyne's noteworthy athletic tradition."

The committee includes college officials and a member of the Board of Trustees, as well as representatives of the Piedmont Educational Foundation, the Alumni Association and the Hickory community.

CREDENTIALS

The credentials of the first inductees to Lenoir-Rhyne's Sports Hall of Fame read like an athletic fairy tale.

Hawn is a native of Catawba County who now resides in Winston-Salem. He graduated from Lenoir-Rhyne in 1926 after playing football, basketball and baseball.

For several years Hawn tried his hand at professional baseball, signing a contract with the Pittsburgh Pirates in 1924 and playing in the Sally and Cotton State Leagues in 1925. In 1926 and 1927 he played for and managed the Hickory Rebels semi-pro baseball team.

Hawn taught and coached for 20 years after completing his degree at Lenoir-Rhyne. He served at Granite Falls High School, Marion High School and Reynolds High School in Winston-Salem, taking several of his teams to the state playoffs in various sports.

During the same period of time Hawn worked toward a master of arts degree which he received from the University of North Carolina in 1944.

OFFICIAL

A football and basketball official for the Southern and Atlantic Coast Conferences, Hawn officiated in the Sugar and Cotton Bowls and twice in both the Gator and Dixie Bowls. Later he supervised and assigned officials for ACC football for nine years.

In 1946 Hawn became Industrial Recreation Director for P.H. Hanes Knitting Company in Winston-Salem. He served in that position for 16 years, winning a number of honors for his work throughout North Carolina in the field of recreation.

Taking early retirement from Hanes in 1962, Hawn became the first full-time Commissioner of the Carolinas Intercollegiate Athletic Conference. Until his retirement in 1976 he also assigned and supervised football and basketball officials for the conference.

In 1970 the football officiating booklet of the Collegiate Commissioners Association was dedicated to Hawn, and recently the Carolinas Conference began awarding an annual cup named in his honor.

LEGEND

Spurlock, a resident of Hickory and former official of the Catawba County schools, is a virtual legend in the annals of Lenoir-Rhyne sport. A "Charlotte Observer" feature of several years ago quoted veteran sports fans as saying he was the nearest thing to a Jim Thorpe North Carolina has ever produced.

A native of Mount Cory, Ohio, where he attended high school, Spurlock attended Centre College in Kentucky before transferring to Lenoir-Rhyne in 1924. His athletic feats at the Hickory institution are fabled and include booming 90-yard punts in football, pitching one-hitters in baseball and breaking state track records.

During his college days Spurlock was referred to as "the premier toe artist of the South," by the noted Atlanta sports journalist Ed Danforth, and in 1926 he almost won the state track meet single-handedly.

After earning a bachelor of arts degree at Lenoir-Rhyne in 1927, Spurlock completed a bachelor of science at North Carolina State University. Later he taught and coached at Columbia University while earning a master's there.

COACH

Spurlock also served in the public schools, coaching at Raleigh High School for several years and taking his teams to three state basketball championships and one trip to the state football finals. In 1937 he worked for three months as interim football coach at Lenoir-Rhyne.

During World War II Spurlock instructed college and high school coaches in methods of teaching for the armed services. He emerged from the service with the rank of major.

From 1951-1975 Spurlock served as the Educational Coordinator for the Catawba County Schools. He has won numerous awards for his services to education and his athletic achievements, including selections to "Who's Who Among School Officials" and the National Association of Intercollegiate Athletic's Helms Hall of Fame.

Another athletic legend, Stasavich was one of the premier football coaches and athletic directors in the nation until his death in 1975.

STUDENT-ATHLETE

A native of Illinois, Stasavich first came to North Carolina as a student at Lenoir-Rhyne. He distinguished himself as both a student and athlete while earning a bachelor of arts degree in science. Later he added a master's degree from UNC-Chapel Hill.

After his graduation from Lenoir-Rhyne, Stasavich entered the coaching ranks at Campbell College in Buies Creek. Three years later, in 1938, he returned to his alma mater as football line coach, assistant basketball coach and head tennis coach.

His tennis teams won two conference championships.

World War II interrupted Stasavich's coaching career in 1942. He entered the U.S. Navy and served with distinction in the European, Mediterranean and Pacific theaters as an LST commander.

After discharge from the service in 1946, Stasavich returned to Lenoir-Rhyne to build the only national championship football team that North Carolina has ever produced — the 1960 Bruin squad that captured the NAIA title.

In addition, Stasavich's teams won nine Carolinas Conference titles during the period 1946-1961, and they compiled a spectacular 120-37-7 record.

CHALLENGE

In 1962 Stasavich accepted a new challenge at East Carolina University. His eight years as head football coach there marked the most successful period ever in the school's gridiron history. Three of his teams in succession posted 9-1 records and won bowl games.

A member of both the Helms Hall of Fame and the N.C. Sports Hall of Fame, Stasavich was twice named national small college coach of the year and five times won district honors.

The immortal coach, known to many as "Stas," closed his career as athletic director at ECU.

Wells, a native of Catawba County and graduate of St. Stephens High School, is considered the finest all-around basketball player in Lenoir-Rhyne history.

During four years of college competition, the standout cager scored 2,627 points, including 810 points his senior year when he averaged 28.9 points per game. He holds the vast majority of Lenoir-Rhyne's career and single-season basketball records.

SUCCESSFUL

Wells earned a bachelor of arts degree from Lenoir-Rhyne in 1957 and later completed master's degrees at both the University of North Carolina and the University of Arizona. He has been quite successful in public school administration and is now Superintendent of the Vail Public Schools in Vail, Arizona.

A member of the Helms Hall of Fame, Wells won All-Conference, All-State and All-American honors at Lenoir-Rhyne. He was named to the NAIA first team in both his sophomore and senior years.

As a prep player, Wells led St. Stephens to the state basketball title and was named to the All-State squad.

LADY BEARS WIN STATE CHAMPIONSHIP

The Lenoir-Rhyne College women's basketball team proved that it, too, was interested in establishing a winning tradition by defeating North Carolina A & T for the Division III championship of the NCAIAW. Final score: L-R, 70 — A & T, 59.

The victory gave the Lady Bears a 17-3 overall record under Coach Dale Abernathy '71 in their second season of intercollegiate participation. Last year, the team finished second in the state tournament.

Team leaders included Christy Jones, Sally Reid and Grace Sherrill, all of whom were named to the All-Tournament team. In addition, Sherrill was named to the All-Division team — the second year in a row she has received that honor.
